Dear Greeley West Spartan Strings Community,

Thank you for joining us this evening for the Winter “Decemberrr!” concert. It has been a remarkable first semester. Tonight’s performance, “*Decemberrr!*”, is an investigative concert based upon themes from winter. From wonderful memories and nostalgia of the holiday season, to musical representations of snow and scenic landscapes....it certainly is The Most Wonderful Time of the Year. Students have written program notes on the inspirations, forms, textures, and settings they have discovered during this concert cycle.

Over the coming weeks, have a musician from the ensemble show you and discuss their portfolio with you. In there you will see evidence of the Four major roles we study in music: Researcher, Creator, Performer, and Collaborative Learner.

If you would like to subscribe to a monthly newsletter that currently gets sent to families and students, please email me at [tnugent@greeleyschools.org](mailto:tnugent@greeleyschools.org) to get put on the list.

Stay tuned for more performances next spring!

- January 17, Combined League Honor Orchestra (Congratulations to those listed!)
- February 2-4, All State Orchestra (Congratulations to those accepted!)
- February 28, All City Honor Orchestra (Results Posted in January)
- April 15, IB Arts Gala
- April 20-22 Colorado West Music Invitational
- May16, GWHS Senior Recognition and Awards Banquet/Concert

Once again, thank you for your support of the arts at Greeley West!  
*All for One, One for All, All for West!*

Musically,  
Mr. Tom Nugent
